## **Golf club plans renovation**

Linthicum announced that it has been awarded the renovation contract for the clubhouse at Desert Highlands, 10040 E. Happy Valley Road.

The Valley-based contractor, founded in 1984, will be renovating the 30,000-square-foot clubhouse's two dining rooms and its bar.

The bar terrace will be expanded for additional seating and outdoor dining.

Art Jordan of Linthicum is the project manager. Swaback Partners of Scottsdale is the architect and Studio B is the interior designer.

The project is planned for completion this fall.
